hor husband bade her a last farewell, and parted, ne'er again believing to see her on this side eternity, but comforted and cheered that she was not left to die without eyery available means being put in force for her: I may here state, that the day before our ship was sighted, Captain Ordant had ordered the helmsman to steer for St. Antonio to get a doctor; but so soon as he went below and told his wife, she made him revoke the or fer, telling him she would not go in amougst strange people and foreigners, and that 'the Lord God would be her doctor." The captain therefore ordered his. course to be resumed. Mrs. OFDARL was the eldest daughter of a cipiam of a merchant ship a Norwegian by birth, and had but one sister. She had not berself any, family-was married Iff years, which time she spent with her husband at sea. She was possessed of a fine constitution and great nerve. About three years ago when solking with her husband in Bergen she reseived a blow in the right breast, by assident, from a man who was passing by. It gave her. pain at the time, but she took no special notice. of it. After some mouths, she felt a hard lump In the same breast, which gave her hain. The medical attendant in Bergen advised her to have it extrepated. Analysis not to undergo the operation she want 50 Thristiante and consultad one of the fact in siled men there, who also advised its removal. The reserved to Bergen and submitted to the operation; after which, she ruse from the table and walked to her bed-room. About five mouths after this the tank gold by sitting on damp grass, and from this she dates her present illness, which. dry by day, gained ground on her. She was under the care of a surgeon in North Phields, who, after treating her for some time; without much relief, ordered her to try the effects of a when climits. She was carrying out his directions when we felt in with hor, and now nothing remains but to speak of her short sajanra with us. Her own steward remained with her here, a man whose faithfulness, attention, and stadnoss, words can never express. Our captain, dostor, and passon zers all did what lay in their power. For the first week we were sanguing our efforts would be blessed, and so were able during the day after her coming on board to signal to her busband, who still kept in sight, though gradually falling off to leeward, that she was somewhat improved; but at the end of the first week she got a bad change, and though she somewhat rullied, yet so as not to please the GAMES for Unitarian, and numerous other double, and slowly but surely travelled converted activities entable for CHRISTMAS PRE-to that doom which awaits all. At these she SECTS. Also a large lat of good BLANwas not happy shout dying, but as day after KETS day passed on, and under the kind attention of the 2337.
